

"Spreading God's Love Through Service in Our Community"

EASTER CELEBRATION ASSISTANCE

We are here to help with your Easter celebration by providing access to food and faith.

Easter celebrates the resurrection of our Lord Jesus Christ after his suffering, crucifixion, and burial. He rose from the dead and ascended into Heaven. It is through Him that we have the opportunity for eternal salvation.

FOOD GIFT

Simon Acts, Firelands Electric People Fund, and Millers SuperValu have joined together to provide free food to assist local families in their celebration of the Easter joy. The food will include spiral ham, sweet corn, eggs, peas, green beans, rolls, and fruit cocktail. Food recipients shall live within the New London, North Fairfield, Wakeman, or Greenwich zip codes. The food will be available for pick up at Millers SuperValu between 4-6 PM on April 17th and 9-11 AM on April 18th.

FAITH

We are blessed to have a variety of churches in our area and we ask that you consider attending an Easter service at a church of your choice to celebrate the Word of God and His plan for our salvation. When the food is distributed, we will include a list of local churches and the times of their Easter services.

SIMON ACTS

Simon Acts Inc. is a local non-profit organization created in 2017 to assist residents of the New London and Greenwich areas. It is a non-denominational, Christian-based, organization made up of representatives from numerous local churches whose objective is to spread God's love through service to our community.

FOOD REQUEST

If you are interested in receiving free Easter food, please complete the below form and place it in the *Simon Acts Easter Mission* basket at the New London Miller SuperValu store by March 14, 2025. If you are unable to deliver the form, you may text a photo of it to 419-651-5797. Please note that the supply is limited and all requests may not be able to accommodated. Those individuals whose requests will be able to be accommodated will be contacted prior to the food distribution.
